Other public sites

- GNUmed project 🡢 - Open Source medical record project, see Wikipedia:GNUmed
- MIT TIG 🡢 - The Infrastructure Group within MIT Computer Science and Artificial Intelligence Laboratory
- The Data Mine 🡢 - established in 1994 to provide high quality information about Data Mining and Knowledge Discovery
- Fakultät für Mathematik, Technische Universität München 🡢 - university of Munich, Germany
- Department of Biostatistics, Vanderbilt University School of Medicine 🡢
- The MONET (MOnitoring NEtwork of Telescopes) project 🡢 - the Georg-August-Universität Göttingen, the McDonald Observatory, and the South African Astronomical Observatory
- Freie Universität Berlin 🡢 (German)
- linux-arm.org 🡢 - community of developers and users of the Linux Kernel on the ARM Family of processors
- HKN Beta Epsilon, University of Michigan 🡢 - Eta Kappa Nu (HKN) strives to help progress the engineering student body through leadership, scholarship, and service
- the Australian Mental Health Outcomes and Classification Network (AMHOCN) 🡢 - established by the Australian Government in December 2003 to provide leadership to the mental health sector to support the sustainable implementation of the outcomes and casemix collection as part of routine clinical practice
- LDAP Best Practices Wiki 🡢 - this Wiki exists to collect good LDAP practices, particularly those relating to security
- UrbanSim Community Web Portal 🡢 - UrbanSim is a software-based simulation system for supporting planning and analysis of urban development, incorporating the interactions between land use, transportation, the economy, and the environment
- Better Outcomes in Mental Health Care (ATAPS) 🡢 (Australia) - The Better Outcomes in Mental Health Care (BOiMHC) program improves community access to quality primary mental health care
- Bose-Einstein condensation research, Monash University 🡢 (Australia)
- Design Wiki 🡢 - This wiki is devoted to design. It has not yet been formally launched and there is very little content. User registration is currently unavailable. Eventually, I hope to use this wiki in my teaching and research, for projects requiring a more robust wiki than my own, experimental wiki. -- FilSalustri
- htu.at 🡢 - Die Hochschülerinnen- und Hochschülerschaft an der TU Wien - kurz HTU - ist die gesetzliche Interessensvertretung der Studierenden an der TU Wien.
- antraege.gruene-bayern.de 🡢 - im Rahmen unseres „Mein Bayern"-Prozesses wollen wir nicht nur die spannenden Themen unserer Zeit diskutieren, sondern wollen auch mehr Beteiligung an unserer politischen Arbeit schaffen. Ein kleiner Baustein dazu ist dieses Antragstool. In Zukunft besteht hier die Möglichkeit, die Anträge für unsere Landesversammlung bereits frühzeitig zu diskutieren.
- StatLab - the Statistics Consulting Laboratory 🡢 - *The Arizona Statistics Consulting Laboratory (StatLab) partners with scientists, physicians, and businesses to advance discovery and understanding. We provide statistical expertise, personnel and computing resources to: Facilitate study design and conduct, data acquisition protocols, data analysis, and the preparation of grants and manuscripts; Adapt and develop new statistical methods to address emerging problems in science and medicine.; Raise the level of statistical practice through seminars, workshops, and short courses.; Foster discovery translation and economic development by consulting with public and private organizations external to the University of Arizona.*
